

Finishing Solutions

QUALITY POLICY

*Vemax Máquinas S.A. is committed to providing innovative and efficient machine solutions for the flexible packaging, label, and tag industries, promoting increased **productivity, profitability, and competitiveness** for our customers.*

*Dedicated to **excellence** and the **continuous improvement** of its Quality Management System, Vemax establishes the following principles:*

- **Comply with all applicable** requirements, including legal, regulatory, normative, and customer-specific obligations;
- **Develop reliable, high-performance products** focused on innovation, durability, safety, and ease of maintenance;
- **Continuously improve** processes, products, and services to ensure operational efficiency and customer satisfaction;
- **Establish, monitor, and review quality objectives** measured through Key Performance Indicators (KPIs) aligned with the company's strategy;
- **Engage and empower employees**, fostering an organizational culture based on quality, accountability, innovation, and continuous improvement;
- **Build sustainable relationships with customers**, suppliers, partners, and the community, founded on trust, respect, and professionalism.

*At Vemax, quality is understood **as a shared commitment** that demands **purpose, technical expertise, and constant action.***

*This policy is **communicated, understood, implemented, and periodically reviewed** to ensure its relevance and effectiveness at all levels of the organization.*
